

MID HILL WIND LIMITED COMMUNITY BENEFIT FUND

The aim of the scheme

Mid Hill Wind Limited has established a community benefit fund as part of their ongoing commitments to communities in the vicinity of the wind farm. The purpose of the fund is to enable communities to carry out improvements to their local area in any sphere, including the environment, local amenity or tourism.

Money available

Each year, the wind farm allocates an amount of money to the community council, who then administer its disbursement to the community. The total amount of money is based on the installed capacity of the wind farm. The initial amount available to the Crathes, Drumoak & Durriss community association is £5,750. This amount increases annually by an amount that is index linked to the Retail Price Index.

Project proposals

Consideration will be given to all types of project, which will benefit the local community, and permission to proceed will be granted for ideas which successfully fulfill the aim of the scheme. Applications will be dealt with on receipt, however please ensure that you have the relevant quotes or permissions to avoid any delay in processing.
