

Crathes Drumoak & Durris Community Council Annual General Meeting

Wednesday 12th June Durris Hall

ANNUAL GENERAL MEETING MINUTES

1) Apologies

No specific apologies had been received for this section of the meeting.

2) Annual Report- Chairman

David Reaich presented his report up to 31 March 2019, making mention of the fact that a new constitution had been introduced in May. David thanked all current community councillors for their work, acknowledging that a full complement of councillors in the three areas has never been achieved and despite this, he referred to the major projects that had been undertaken this year and during his tenure as chair.

3) Financial Report- Treasurer

Peter Renwick handed out copies of the financial report for the period 1 November 2018 to 31 March 2019, and gave a summary of the financial year. He pointed out a small amendment required, due to lack of information provided by the bank. The accounts were unanimously approved.

4) Nominations for Community Councillors

Emma Storey updated the community council on the situation after the nomination period in May, unfortunately this had not provided any new nominations, and Emma proposed that a re-run of the nomination process be held over a period after the summer holidays. Emma also indicated that up to three people could be co-opted on to the council before the close of the nomination period.

The community council had been informed that James O'Flynn, Marion McNeil, and Emma Windle would all stand down.

In order to clarify where the community council now stood both presently and going forward, it was agreed by the remaining councillors to hold an informal follow-up meeting with Emma in order to clarify this situation. David Morrish kindly offered to host a meeting on Monday 17th June.

5) Appointment of Office Bearers

None appointed.

6) AOB

On behalf of Aberdeenshire Council Councillor Dickinson thanked David Reiach and all current and retiring community councillors for their work for this and previous years.

The meeting closed at 21.40
