

# Road Survey

1<sup>st</sup> Review

Some gathered data for the review meeting on  
Tuesday 8<sup>th</sup> February

# Contents

- The next 8 slides (3-10) come directly from the survey software
- Slide 11 comes from categorising comments and then counting the number of comments that fall into each category
- Slides 12-15 count the number of tick against each proposed initiative. One slide for each area

# Do you feel our roads are safe for all users

172 responses

- Yes
- No
- Maybe

# Do you feel our roads are well maintained

171 responses

- Yes
- No
- Maybe

If you are a cyclist do you feel safe in our villages

121 responses

If you are a pedestrian do you feel safe in our villages

161 responses

If you look after children, do you prevent them using the roads in our villages e.g. going to school

99 responses

# Are the existing speed limits appropriate

169 responses

- Yes
- No
- Maybe

# Would you support a potential petition to change the way traffic is prioritised in our communities

166 responses

If you are a driver, do you feel safe on our roads

170 responses

## PLEASE COMMENT ON AREAS THAT CONCERN YOU MOST

- Speeding
- Road condition
- Inappropriate speed limits
- Inconsiderate driving
- Lack of safe pavements/paths
- Lack of safe crossings
- Poorly maintained verges and vegetation
- Inconsiderate cycling
- Deesideway on A93 at Crathes is dangerous
- Increase speed limits
- Lack of speed enforcement
- Keep HGVs off unsuitable roads
- Lack of council support
- Driving to slowly on open roads (60mph limit)
- Lack of passing places
- Barrier protection for narrow pavements
- Signs for new regs. No cycling on pavements
- Rural Street Lighting

# DRUMOAK - INITIATIVES THAT YOU SUPPORT

- Reduce Park speed limit to 30 mph
- Improve the speed reduction at both ends of Drumoak
- Install cycle lanes on the A93 in Drumoak & Park
- Install 2 or 3 more traffic islands in Drumoak
- Have all side roads reduced to 20 mph zones
- Improve condition of A93
- New cycle lanes from Drumoak to Aberdeen
- Improve pedestrian crossing at Drum Castle junction

# DURRIS - INITIATIVES THAT YOU SUPPORT

- Lower speed limit in Kirkton of Durris (KoD) from 50 mph
- Install additional traffic calming measures, such as traffic islands and speed sensors in KoD
- Installation of a pavement and a crossing in KoD
- Improve street and signage lighting in KoD
- Installation of a dedicated Bus Stop both East and Westbound in KoD
- Cut back vegetation on entrances to villages
- Improve pavement and road layout in Woodland of Durris
- Additional footpaths on Upper Balfour road from the Kirkwood housing estate to the junction
- Road widening and road repairs on all roads leading to Woodlands
- Extend 20 mph zone Clune Wood
- Address/monitor speed/noise of Park quarry vehicles

# CRATHES - INITIATIVES THAT YOU SUPPORT
